Roll call – Ron Jones, Nancy Catherman, Judy Smith, Caroline McClimon, and Guy Farmer were present.

Also present – Robert Tamble, Joanna Morgan, Jack Page, and Jennifer Lynch

Public Hearing – Discussion and action on an RV Park Ordinance for the City of Smithville. Robert had a rough draft of the corrections from the April 20th meeting on an RV Park Ordinance. There were a few more corrections to be made but Robert was going to do that and then present it to our City Attorney for review. Caroline motioned to go forward with the Ordinance and let the City Council review and make final decision Ron seconded. All were in favor. Robert also wanted the P&Z to look over a draft of your Design Guidelines from Architexas to review it and P&Z would meet at a later date to discuss.
