City of Smithville Recreation Center COVID-19 Waiver: The novel coronavirus, commonly referred to as “COVID-19,” has been declared a worldwide pandemic by the World Health Organization. The City of Smithville, Texas (the “City”) has put in place preventative measures to reduce the spread of COVID-19; however, the city cannot guarantee that you or your child(ren) will not become infected with COVID-19 while participating in programming and events offered by the City’s parks and recreation department (“PARD”). COVID-19 is an extremely contagious virus and is believed to spread mainly from person-to-person contact. Local, state and Federal governments and health agencies recommend social distancing as well as limiting the number of people allowed to congregate. Further, attending PARD programs could increase your risk and your child(ren)’s risk of contracting COVID-19.
